## **SEEKING YOUR HELP ...**

The parish council are supporting local residents in a campaign to introduce new traffic regulations / schemes aimed at reducing dangers caused by speeding traffic along the road from the cross roads on the A60 to East Leake.

It would be of assistance if residents would write individual letters to the people named below stating their reasons for seeking changes.

The points raised should include:

- extended speed limit
- provision of street lighting along the whole length of the road
- provision of a traffic calming system (ie raised ramp and road narrowing)
  - improved road signing
  - more speed checks

Letters should be sent to:

- Kenneth ClarkeMP at 17/19 Rectory Road, West Bridgford, Nottingham NG2 6BE
- Eamonn Harrison, Highways South Manager, Nottinghamshire County Council, Gamston Depot, Radcliffe Road, Nottingham NG2 6NP
- Coun. Reg Adair at Forge Cottage, 95 Loughborough Road, Bradmore, Nottingham NG11 6PA

The council would welcome any further comments from residents to help them in their effort to bring about a reduction in the dangers that exist.
